

# 2018 ENGINEERING WORKSHOP in Kumamoto

## DATE:

November 15-17, 2018

## VENUE:

Kumamoto University, Japan

## SUBMISSION:

Submission of Abstract:  
by Sept. 28, 2018

## CONTACT:

International Coordinator  
Kumamoto University, Japan  
e-mail:  
3U-EWS2018-office@tech.eng.  
kumamoto-u.ac.jp

## SESSIONS:

### 1. Mechanical System Engineering and Mathematics

- 1-1 Mechanical Manufacturing
- 1-2 Biomechanics
- 1-3 Fluid Dynamics
- 1-4 Thermal-Fluid Energy System
- 1-5 Non-Destructive Testing
- 1-6 Intelligent Dynamical System
- 1-7 Mathematics
- 1-8 Other Important Topics

### 2. Architecture, Civil and Environmental Engineering

- 2-1 Sustainable and Resilient Structural Engineering
- 2-2 Building Material and Construction
- 2-3 Geotechnical and Geoenvironmental Engineering
- 2-4 Urban, Regional and Architectural Planning
- 2-5 Environment Conservation Engineering
- 2-6 Building Physics
- 2-7 Disaster Mitigation
- 2-8 Other Important Topics

### 3. Materials Science and Chemistry

- 3-1 Microstructure of Advanced Materials
- 3-2 Advanced Materials and Its Applications
- 3-3 Polymer and Organic Materials
- 3-4 Inorganic Materials
- 3-5 Energy and Environment
- 3-6 Other Important Topics

### 4. Others
